

Egg and Pepper Sandwich at Celebre's with  
Rocco

-We got prisons everywhere and we're  
beating the shit out of people. Torture.

-Price of freedom.

-Parents come to ask about sons we  
disappeared.

-At Home with the Brave,we say toughski-  
shitski.

-Something this elaborate hadda be there  
before. That's the discouraging part:  
Democrats too.

-Let's say this crop of chickenhawks have  
raise it to an art.

-Yeah but something in place before these  
insane pricks.

-Your point? Besides repetition?

-Got nowhere to turn.
